

WANTED INTERNATIONAL COMMERCIAL TECHNICAL SALES EMPLOYEES **M/V**

Something for you?

For our head office in Putten we are looking for talented commercial people school-leaver, junior or senior to join our team. Have you just graduated or are you looking for a new challenge? Do you have communication skills with an independent, pro-active attitude and a healthy commercial drive with a sense of responsibility? Always wanted to work at a company with international contacts? Then we are looking for you!

Benefits

- Fast-paced, high-energy and engaging work environment
- Opportunity to make a difference in a growing company.
- In-depth sales training, ideal for motivated individuals without extensive experience.

" I talk to many different people : technicians, engineers, purchasers & researchers. And I handled many different processes and technologies : Laser-writing, plasma, wet etch, dry etch, diffusion, CMP and ALD. SPS is a family company where you feel trusted. "

Pierrick Four - Technical Sales Manager @ SPS-Europe

Company Profile

SPS-Europe B.V. is an international full-service distributor of small equipment, tools and consumables used in semiconductor industry with offices in Europe and in Singapore. For 30 years we supply a range of industry leading products used worldwide.

Dedication towards our customers and flexibility in finding the right solution, combined with application knowledge and fast supply logistics are the keywords of our service. In close cooperation with our customers, we work on product development and customized products.

" The best part of my job is to help and advise a client from A to Z and to find a product that meets the customer's wishes. My challenge is to see the opportunities and changes in the market and to respond to them."

Cristian de Groot - Sales Manager @ SPS-Europe

Join our team

As a growing agency we're always on the lookout for passionate and talented commercial people school-leaver, junior or senior to join our team.

Mail your application to jobs@sps-europe.com. Respond before September 15 and we hope to meet you real soon! *Acquisition as a result of this vacancy is not appreciated.*
